Bill,  
I can call on any  
that I have checked  
although I prefer not all  
of them. The  
Ben

Board members:

Attached is a list of individuals, their businesses, and their phone numbers. All of these individuals received personalized letters signed by Ben and me earlier this month soliciting their financial support for the Crime Commission. (The template for the letter is also attached.)

This list is different from the list of individuals to whom we wrote in February. That earlier list was of individuals who have been solicited in the past and, in many cases, have given. THIS LIST IS COMPOSED OF INDIVIDUALS WHO, ACCORDING TO OUR RECORDS, HAD NEVER BEEN SOLICITED PREVIOUSLY.

Please review the list. If there are individuals you know and to whom you are comfortable making a follow up phone call, please let me know.

Ben, Linda and I will all appreciate your help on this!

Dear \_\_\_\_\_:

After spearheading development of a new five-year Operation: Safe Community crime plan (2017-2021), the Memphis Shelby Crime Commission is now taking the lead in moving us forward in implementing the plan.

One year into the plan, we are making progress on many fronts, including:

1. The hiring and retention of more Memphis police officers, with 169 new commissioned officers hired within the past year and 85 percent of eligible officers signing retention agreements coupled with retention bonuses funded through private sector contributions to the Crime Commission;
2. Enactment of state legislation imposing tougher sentences for convicted felons possessing guns along with the launching of the FED UP. GUN CRIME. MAX TIME communications effort to convey the consequences of engaging in gun crime in an effort to change behavior;
3. Implementation of the D.A.'s community prosecution model in three MPD precincts to strengthen partnerships among citizens, law enforcement, and prosecutors;
4. Development of an assessment center model to direct non-violent youthful offenders away from the juvenile court system and address underlying factors to reduce the odds of future delinquent or criminal behavior;
5. Funding for a transitional work program coupled with other services to assist ex-offenders move in the right direction; and
6. Launching of the violence intervention/focused deterrence model by the D.A.'s office to curtail criminal activity by certain high-risk individuals.

Enclosed is a handout which summarizes the plan. We distribute these throughout the community and are glad to furnish you some for distribution to your employees or others. Just contact Linda Russell at [lrussell@memphiscrime.org](mailto:lrussell@memphiscrime.org).

The Crime Commission is the ONLY entity in our community charged with overseeing implementation of a community-wide plan to reduce crime. And we depend totally on private donations. We hope you will invest in our efforts by making a tax deductible donation.

We've included a return envelope along with a pledge card in case you are willing to make a one-year or multi-year pledge of financial support. Donations may also be made on-line by going to <http://memphiscrime.org/donate/>.

We will be glad to meet with you to share in more detail the efforts of the Crime Commission and the Operation: Safe Community plan. We will appreciate your financial support and active advocacy for implementation of a plan which can make our community safer.

Sincerely,

Ben Adams  
Board Chair
